DIRECTOR'S REPORT TO THE MEMBERS

The Directors of the Company have pleasure in presenting Annual Report and the Audited Financial Statements of the Company for the year ended June 30, 2016

1. Financial Results

The company achieved the following operating results during the year under review.

	<u>2016</u> (Rs.'000s)	<u>2015</u> (Rs.'000s)
Profit before taxation	15,759	3,272
Taxation	5,222	12,370
Profit/ (Loss) after taxation	10,537	(9,098)
E.P.S.-Basic and Diluted	1.86	(1.61)

We are aware of the fact that time ahead is still tough and we are working hard with our professional and hard working team to meet the challenges.

2. Review of Operations

During the year under review total production of Washed Oil was 7,012 M.Tons, Meal and Soap was 25,423 M. Tons as compared to last year's Washed Oil were 10,469 M.Tons, Meal & Soap 19,300 M.Tons respectively.

Sales for the year of Washed Oil were 5,374 M.Tons & Meal and Soap 19,606 M. Tons as compared to last year's 10,543/- M.Tons & 18,757/- M.Tons respectively.

Due to the global economic recession and domestic uncertainty and the law & order situation during the fiscal year 2015-2016, our sales decreased from Rs. 1,837.062 millions to Rs. 1,421.340 millions. Drastic decrease in oil prices in local market and slump in crude oil in international market was also the reasons of reduction in sale. Keeping in view all the economic and general obstacles the management is quite happy to earned net profit after tax for Rs. 10,536 Millions during the year. The management of your company has done well to retain its share of the market. They have also put their best efforts to control the financial as well as operational cost by using efficient fund management policy.

REVIEW REPORT TO THE MEMBERS ON STATEMENT OF COMPLIANCE WITH BEST PRACTICES OF CODE OF CORPORATE GOVERNANCE

We have reviewed the Statement of Compliance with the best practices contained in the Code of Corporate Governance ("the Code") for the year ended June 30, 2016 prepared by the Board of Directors of **S.S. OIL MILLS LIMITED ("the Company")** to comply with the Code contained in the Regulations of Pakistan Stock Exchange Limited, where the Company is listed.

The responsibility for compliance with the Code of Corporate Governance is that of the Board of Directors of the Company. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement of Compliance reflects the status of the Company's compliance with the provision of the Code and report if it does not and to highlight any non-compliance with the requirements of the code. A review is limited primarily to inquiries of the Company personnel and review of various documents prepared by the company to comply with the Code.

As part of our audit of financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors statement on internal control covers all risks and controls, or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Code requires the company to place before the Audit Committee, and upon recommendation of Audit Committee, place before the Board of Directors for their review and approval its related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price and recording proper justification for using such alternate pricing mechanism. We are only required and have ensured compliance of this requirement to the extent of approval of related party transactions by the board of directors upon recommendation of the audit committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, except for the departure disclosed in note 9 nothing has come to our attention, which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the best practices contained in the Code as applicable to the company for the year ended 30 June 2016.

IFRS 9	Financial Instruments: Classification and Measurement

The following interpretations issued by the IASB have been waived off by SECP:

IFRIC 4	Determining whether an arrangement contains lease
IFRIC 12	Service concession arrangements

3 CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The preparation of financial statements is in conformity with the approved accounting standards and requires the use of certain critical accounting estimates. It also requires the management to exercise its judgment in the process of applying the Company's accounting policies. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The areas where various assumptions and estimates are significant to the Company's financial statements or where judgments were exercised in application of accounting policies are as follows:

Financial instruments

The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques based on assumptions that are dependent on conditions existing at balance sheet date.

Useful lives, patterns of economic benefits and impairments

Estimates with respect to residual values and useful lives and pattern of flow of economic benefits are based on the analysis of the management of the Company. Further, the Company reviews the value of assets for possible impairment on an annual basis. Any change in the estimates in the future might affect the carrying amount of respective item of property, plant and equipment, with a corresponding effect on the depreciation charge and impairment.

Inventories

Net realizable value of inventories is determined with reference to currently prevailing selling prices less estimated expenditure to make sales.

Taxation

In making the estimates for income tax currently payable by the Company, the management takes into account the current income tax law and the decisions of appellate authorities on certain issues in the past.

Provision for doubtful debts

The Company reviews its receivable against any provision required for any doubtful balances on an ongoing basis. The provision is made while taking into consideration expected recoveries, if any.

Estimates and Judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

4 Summary of significant accounting policies.

4.1 Accounting Convention:

These financial statements have been prepared under the historical cost convention except for recognition of certain staff retirement benefit at present values as referred to in note 4.7 and certain financial instruments that have been accounted for on the basis of their fair values as referred to in note # 4.15.

4.2 Tangible Fixed Assets and Depreciation:

(a) Owned Assets

Building, Plant and machinery are stated at revalued amount less accumulated depreciation. Freehold land is carried at revalued amounts. All other operating assets are stated at cost less accumulated depreciation except capital work-in-progress which is stated at cost.

Borrowing costs during the erection period are capitalized as part of historical cost of the related assets.

Depreciation is charged on operating assets applying reducing balance method to write off the cost over remaining useful life of assets. Rates of depreciation are stated in Note No. 11.

Depreciation is charged on from the month in which an asset is acquired or capitalized while no depreciation is charged from the month in which an asset is disposed off.

Gains / (Losses) on disposal of operating assets are included in income currently. Normal maintenance and repairs are charged to income as and when incurred. Major renewals and replacements are capitalized.

(b) Lease hold Assets

The company is lessee.

Leases where the company has substantially all the risks and rewards of ownership are classified as finance lease. At inception finance leases are capitalized at the lower of present value of minimum lease payments under the lease agreements and the fair value of assets. The related rental obligations, net of finance charges, are included in liabilities against assets subject to finance lease. The liability are classified as current and long term depending upon the timing of the payment. Each lease payment is allocated between the liability and finance charges so as to achieve a constant rate on the balance outstanding. The interest element of the rental is charged to profit over the lease term.

4.3 Capital Work In Progress

All costs / expenditure connected with specific assets are collected under this head until completion of assets. These are transferred to specific assets as and when assets are available for use.

4.4 Stores & Spares

These are valued at lower of moving average cost and net realizable value. Items in transit are valued at cost comprising invoice value plus incidental charges paid thereon.

4.5 Stock in Trade

Basis of valuation are as follows:

Particulars	Mode of Valuation
Raw Materials	At lower of annual average cost and net realizable value
Work in Process	At cost
Finished Goods	At lower of cost and net realizable value
By products	At net realizable value

Cost in relation to work in process and finished goods represents the annual average manufacturing cost which consists of prime cost and appropriate manufacturing overheads.

Net realizable value signifies the selling price in the ordinary course of business less cost necessary to be incurred to effect such sale.

4.6 Cash & Cash Equivalents

Cash & cash equivalents are carried in the Balance Sheet at cost.

For the purpose of statement of cash flow, cash and cash equivalents comprise of cheques in hand, cash and bank balances.

4.7 Staff Retirement Benefits

The company operates an un-funded gratuity scheme for all its employees. Provision is made annually to cover the liability under the scheme.

4.8 Taxation

- Current

The charge for current taxation is based on taxable income at the current tax rates after taking into account applicable tax credits and rebates, if any. The charge for current tax also includes adjustments, where considered necessary, to provision for taxation made in previous years arising from assumptions from assessments framed during the year for such years.

- Deferred

Deferred tax is accounted for using the Balance Sheet Method liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax basis used in computation of the taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences and deferred tax assets, as required by IAS 12(Income Taxes) are recognized.

4.9 Related Party Transactions

All transactions with related parties are made at arm's length prices determined in accordance with comparable uncontrolled price method.

4.10 Revenue Recognition

Revenue is recognized when it is probable that the economic benefits will flow to the company and the revenue can be measure reliably. Sales are recorded on dispatch of goods and invoices raised to customers.

Profit on bank balances are recognized on a time proportion basis on the on the principal amount outstanding and at the applicable rate.

4.11 Foreign Currency Translations

Translations in foreign Currencies are accounted for in Pak Rupees at the exchange rate prevailing at the date of translations. Assets & Liabilities denominated in Foreign Currencies are translated into Pak Rupees at the exchange rates prevailing on the Balance Sheet except for those covered by forward contracts if any.

4.12 Trade Debts and other receivables

Trade Debts and other receivables are carried at invoices value, which approximates fair value less provision for impairment. A provision for impairment of trade debts and other receivables is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of the receivable. Significant financial difficulties of the debtor, probability that the debtor will enter bankruptcy of financial reorganization, and default or delinquency in payments are considered indicators that the trade receivable is impaired. Debts, considered irrecoverable, are written off, as and when identified.

4.13 Borrowing Costs

Borrowings Cost incurred on finances obtained for the acquisition of fixed assets are capitalized up to the date of commissioning of the respective assets. All other borrowing costs are taken to profit and loss account.

4.14 Provisions

Provisions are recognized when the company has a present, legal or constructive obligation as a result of part events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and reliable estimate of the amount can be made. Provision are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

4.15 Financial Instruments

4.15.1 Financial Assets

The company classifies its financial assets in the following categories; at fair value through profit or loss, loans and receivables, available-for-sale and held to maturity. The classification depends on the purpose for which the financial assets were acquired. Management determines the classification of its financial assets at the time of initial recognition.

- a) Financial assets at fair value through profit or loss. Financial assets at fair value through profit or loss are financial assets held for trading and financial assets designated upon initial recognition as at fair value through profit and loss. A financial asset is classified as held for trading if acquired principally for the purpose of selling in the short term. Assets in this category are classified as current assets.
- b) Loans and receivables. Loans and receivables are non-derivation financial assets with fixed or determinable payments that are not quoted in an active market. They are included in current assets, except for maturities for greater than twelve months after the balance sheet date, which are classified as non-current assets. Loans and receivables are classified as trade debts, loans and advances, deposits, other receivables and profit receivable from banks in the Balance Sheet.
- c) Available-for-sale financial assets. Available-for-sale financial assets are non-derivatives that are either designated in this category or not classified in any of the other categories. They are included in non-current assets unless management intends to dispose of the investment within twelve months from the Balance Sheet date. Available-for-sale financial assets are classified as short term investments in balance Sheet.

Changes in fair value of securities classified as available-for-sale are recognised in equity.

4.15.2 Financial Liabilities

All financial liabilities are recognised at the time when the company becomes a party to the contractual provisions of the instruments.

All the financial liabilities are derecognised when the obligation under the liability is discharged or cancelled or expired. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange and modification is treated as a derecognition in the profit & loss account.

4.15.3 Off-setting of financial assets and financial liabilities.

A financial asset and a financial liability is offset and the net amount is reported in the financial statements if the company has a legally enforceable right to set-off the transaction and also intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

4.16 Financial Expenses

Financial expenses are recognised using the effective interest rate method and comprise foreign currency losses and interest expenses on bank borrowings.

4.17 Impairment of Assets

The Management assesses at each Balance Sheet date whether there is any indication that an asset is impaired. If any such indication exists, the management estimates the recoverable amount of the asset. If the recoverable amount of the asset is less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount by charging the impairment loss against income for the year.

These are stated at cost which represents the Fair Value of consideration given.

4.18 Trade and Other Payable

Trade and other payables are measured at cost which is the fair value of the consideration to be paid in future for goods and services received, whether or not billed to the company.
